Volunteers also have some beneficial aspects that only volunteers can have.

However, volunteers are not continuous, so they are not suitable for achieving the goals set in a manner.

We are a store that focuses on SDGs.

Originally started in 2010 from a store called Asitalian in Kitaishido-town.

It was a shop that actively uses game meat, and from that time there was a lot of interest in environmental and food education issues.

Make everything happen with this mulberry delicatessen and cafe.
